bP Corporate Finance alongside Mechan Italia (Zweegers Equipment Group): BPER finances the acquisition of Agri Ravagnolo S.r.l.

BPER has provided financing to support the acquisition of an 80% stake in Agri Ravagnolo S.r.l. The transaction has enabled the Dutch group Zweegers Equipment Group, through its subsidiary Agri-Verde S.r.l., to further strengthen its presence in the Italian agricultural market.

The deal forms part of the group's growth and consolidation strategy in Italy and follows the previous acquisitions of Agri-Verde S.r.l. in 2021 and Busato S.r.l. in 2025.

Agri Ravagnolo S.r.l. is an Italian company with more than forty years of experience in the agricultural mechanisation sector. Operating through four branches located in North-East Italy and supported by a team of more than 50 employees, the company has grown to become one of the leading AGCO dealers in Italy.

The company offers a wide range of tractors and equipment from the Fendt and Massey Ferguson brands. Agri Ravagnolo also specialises in areas such as viticulture and precision agriculture (PTx Trimble). Its services include after-sales support, spare parts supply, technical assistance both on-site and in workshops, as well as financing solutions provided through AGCO Finance.

The transaction was handled by a multidisciplinary team from Bureau Plattner, coordinated by Attorney Carlo Gurioli (Equity Partner), Armin Haidacher and Claire Bouchy, who assisted the buyer on all legal aspects, with the support of bP Corporate Finance. The latter — with Managing Partner Mattia Patti, Associate Matteo Mancuso and Analyst Marco Tollon — acted as financial advisor to Zweegers Equipment Group, structuring the financing.
